Info: 203-688-2320 or [gordon.wong@yale.edu](mailto:gordon.wong@yale.edu)

This event, co-hosted by the Yale School of Medicine Division of Neonatal-Perinatal Medicine and Yale New Haven Children's Hospital, honors the late Richard Ehrenkranz, MD, beloved friend and colleague, and a long-standing leader in academic neonatology. Rich's work combined clinical relevance with academic rigor. We have assembled an outstanding national faculty with both of these objectives in mind.

Due to the pandemic, our symposium is virtual this year, at no charge. We look forward to an in-person meeting in 2022.

---

1:00 - 1:10 pm	Welcome and Introduction Mark R. Mercurio, MD, MA, Chief of Neonatal-Perinatal Medicine Yale School of Medicine
